

## AUGUST

## HOT & COLD BOTTLE AND POINT OF USE WATER COOLERS

With winter in full swing and with temperatures hitting rock bottom, now is the perfect time for Water and Filter Companies to consider Aqua Cooler's range of Hot and Cold water coolers for their customers. Aqua Cooler has both bottle and point of use hot and cold water coolers available, which are the ideal solution for hot cups of tea, coffee, and hot chocolates on a cold winter's day. To place your order, please contact the sales team. Tel: 02 9721 9333.
