

## **SEPTEMBER** **SP SERIES POINT OF USE WATER COOLERS**

Fitted with a uniquely designed recess at the rear of the cooler, the SP Series water cooler has been designed with filters in mind. The cleverly designed recess at the rear of the cooler allows for almost any filtration system to be connected to the unit. For further details or to place your order, please contact the Aqua Cooler sales team. Tel: 02 9721 9333
